Carter Martodam
Project Engineer

“For the past ten years, we’ve trusted Frattalone as a key partner for pile installation and civil work on our solar sites. Their ability to get the job done right the first time, overcome challenges, and deliver with the same urgency and commitment we expect of ourselves is invaluable. Partnerships built on that trust allow us to deliver with quality, confidence, and speed.”

Karl von Knobelsdorff, CEO,
Knobelsdorff Energy

OUR SERVICES

At Frattalone Companies, we provide our clients with complete turnkey civil site construction services, including:

Full Civil Site Construction

- Erosion Control
- Site Clearing
- Access Road Construction
